# Event Admin App

Seamless Onsite Event Management

## Intuitive Tools for Your Volunteers and Staff

### Check-In

Scan guest QR codes and confirm information as your attendees arrive.

### Walk-Up Ticket Sales

Equip volunteers with the ability to sell tickets to guests at the door.

### Search Tool

View guest accounts and add donations, raffle tickets, and fixed price items.

### Spotter Tool

Easily record paddle raise donations and add them to attendees' carts.

### Bid Assist

Record bids on behalf of guests to drive participation in the silent auction.

### Item Pickup

Facilitate pick-up and track who has been given their purchased or won items.

## OneCause Tap™

Now volunteers can capture payment information at check-in by tapping guest credit cards to any NFC-equipped, Android phone or tablet. This simplifies your event by replacing the need for credit card scanning hardware and further minimizing lines at registration.
