

THE ONECAUSE FUNDRAISING PLATFORM

GOLF EVENTS

The best of fundraising software & golf event management – all in one Platform.

Whether your golf outing is a standalone event or combined with a gala, you can seamlessly sell sponsorships, register golfers, facilitate scoring, display rankings, and manage fundraising.

Golf Outings Simplified.

Sell sponsorships with foursome tickets included

Auto-create teams based on ticket type and owner

Manage everything from scrambles to shotgun starts

Support single or multiple course events

Assign courses, starting holes, and cart numbers

Sell mulligans and other fixed price items

Message players with key info, post-check in and during event

Track player scoring and display on leaderboard
