Time-Saving Benefits

of the OneCause Fundraising Platform

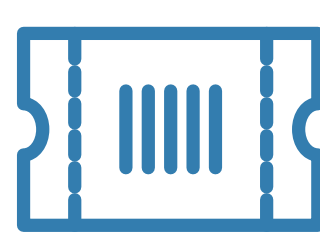

1

Supporter-Driven Experiences

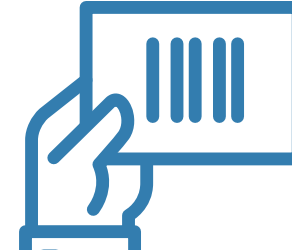

Empower your guests to help you raise more. Put the event experience in their hands and engage them earlier in your activities. Oh yeah, and save time + effort for your team too!

Express Check-in:
Attendees can “skip the line” with a QR code ticket or quickly check-in online prior to the event.

Ticket Management:
Supporters manage their tickets, helping you finalize headcount with ease.

Guest Information:
Attendees can easily assign or reassign tickets to their guests on their own - no action required by your organization.

Bidding & Donations:
Guests place bids, donate, and receive outbid notifications and other alerts on their own devices.

2

Event Flexibility

Don't let unplanned changes trip up your event or impact your donor experience. With OneCause, your organization has access to flexible customization for seamless fundraising.

Event Planning:
From in-person, hybrid, or virtual with the click of a button.

Guest Experience:
Based on how guests attend through different ticket types.

Participant Management:
Manage how guests participate in your event based on attendance type.

3

Seamless Giving Experience

Donors expect more from the software they use. They want convenience, flexibility, and ease, all in one place. Make giving easy with:

One Site:
Event information, event location & map, and giving all on one site.

Donor Options:
Personalize the donor experience with multiple ways to give.

Easy Start to Finish:
From ticket purchase to checkout, customize the guest experience.

Alerts and Texts:
Engage guests with automated notifications, announcements, & outbid alerts.

4

Real-Time Analytics & Reporting

Don't wait until after your event to evaluate performance - use real-time analytics to immediately see results and drive in-event revenue.

Registration Process:
Know who is attending your event and easily access donor & ticket information.

Sponsor Engagement:
Track engagement with sponsor logos, and share impression data to increase sponsor ROI.

Auction Performance:
Track overall money raised, lot performance, and which donors won or bid on your auction.

Total Proceeds:
Get a full event view of how each part of your event funnels into your overall proceeds raised.
