

# REPORTING, ANALYTICS & CRM INTEGRATION

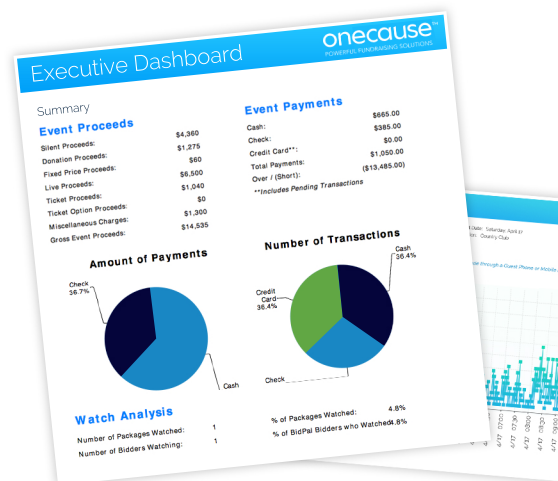

OneCause Fundraising Software provides comprehensive analytics and reporting. With over 120 real-time reports let OneCause help your organization pinpoint donor trends and conduct deeper donor analysis.

Our Salesforce® integration and Raiser's Edge® export options enable you to move data easily back and forth.

## Reporting & Analytics Includes:

- Event Health Check
- Attendee List
- Solicitor Summary
- Table Assignments
- Ticket Sales
- Item and Package Summaries
- Auction Activity
- Proceeds by Category
- Bid History
- Fund-a-Need and VIP Donors Proceeds
- Buy Now Items
- Items with No Bids
- Bidder Paddles
- Item Tent Cards
- Guest Receipts
- Executive Dashboards... and more!

### Looking for a custom report unique to your organization?

Our Professional Services Team is on stand-by to create specialized reporting.

## CRM Integration

Further simplify your fundraising with CRM integration. Through our intuitive import wizard and multiple CSV export options data can easily be moved between many donor databases. OneCause offers Salesforce® integration as well as Raiser's Edge® specific reports.
