

OneCause + Salesforce

Now integrated with Salesforce Nonprofit Success Pack

Easy-to-use Integration for Smarter, More Flexible Fundraising.

By integrating the OneCause Fundraising Platform with Salesforce's Nonprofit Success Pack, your nonprofit can enhance efficiency, centralize donor insights, automate tasks, and ensure personalized engagement, while simplifying your campaign and event management.

Seamless Connections, Amplified Impact.

Maximize impact and drive engagement with real-time reports, effective donor communications, and valuable financial insights.

- Use built-in prompts for fast setup and smooth integration.
- Customize data management with flexible conditional mapping.
- Launch instantly with no coding or third-party consultation.
- Sync donor records daily, with manual or automatic overnight syncing.
- Centralize donor information for a comprehensive, 360-degree view.

Integration That Works

Transform your approach from donor management to donor connection by integrating Salesforce NPSP with the OneCause Fundraising Platform, ultimately enhancing your fundraising success.

✓ INTUITIVE SETUP

Helpful prompts guide you through every step, from installation to custom mapping—no professional implementation needed.

✓ EFFORTLESS INTEGRATION

Built directly into the Platform, this integration requires no third-party installation or maintenance.

✓ SEAMLESS CRM MANAGEMENT

Test and refine your setup safely with sandbox data, making it easy to validate and perfect your donor data integration.

✓ SMARTER MAPPING

Leverage powerful if/then conditional logic for advanced mapping, putting greater flexibility at your fingertips.

✓ COMPREHENSIVE DONOR INSIGHTS

Gain a 360-degree view of donors, including giving history and engagement patterns, to effectively segment your donors and personalize communications.

“The OneCause integration to Salesforce has exceeded our expectations, offering more flexibility and field mapping options than comparable products. It provides the customization nonprofits need to achieve their goals.”
