THE RIPPLE EFFECT

We give scholarships and support to students today who will continue to help others tomorrow. Alisa was the inspiration, creating the first drop in the pond. Her life of giving and caring inspired Alisa's Angels. The young people we support will continue to impact their communities.

A COMMUNITY NOT JUST A SCHOLARSHIP

We connect the new recipients to alum, providing them an ambassador. We gather them at semiannual reunions and connect with them throughout the year. We walk alongside all students, celebrate their successes, and give advice and encouragement.
